

Vodacom Technology

Andries Delport

August 2015

Based on NPS our customers want ...

”The Best Network Experience”

Widest Coverage

Best Quality and Performance

Best for Video and Smartphones

Reliability

Service

Consumer

Enterprise

So how do we achieve the “Best Network Experience”

**Aggressive
Radio Rollout**

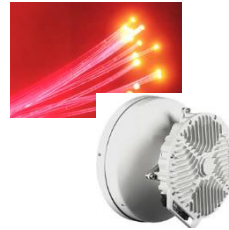

**Handset
Transformation**

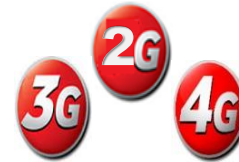

**Customer
Focused
Network
Improvement**

**High Capacity
Transmission
Rollout**

**Network
Modernisation
& Resilience**

**IT
Transformation**

A cost effective solution for every scenario...

Container Site Solution

Township

Lamppost

Estates

Low Cost Site Solution

Rural

Antenna renewal

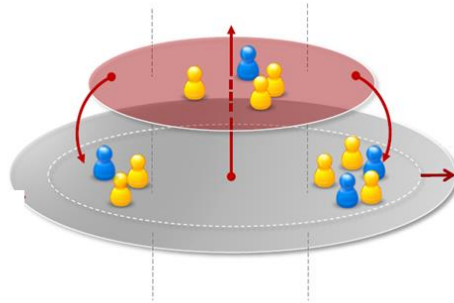

Metro

Spectrum alternatives

Re-farm

ITA

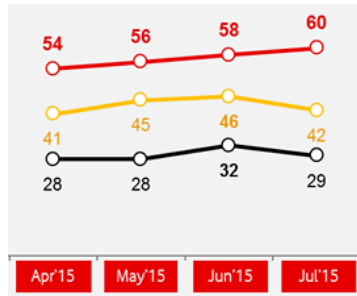

Other

So how do we perform...

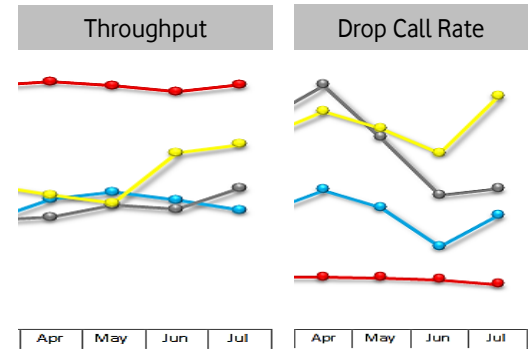

Overall Network Satisfaction

OOKLA

Benchmarking

**The end
Thank you**
